

Vocal Music—Sheffield Campus

In December we will be presenting two winter concerts in Sheffield. Both will be in the north gym beginning at 7:00 p.m. There is no admission charge for either concert.

The K-3 elementary students will present their program on Thursday evening, December 1st. Each grade will sing three songs individually and the program will conclude with a combined number. Most songs have actions to go with them. There are many styles of music represented and all songs focus on the holiday or winter seasons. The elementary students have been working hard on their songs since the middle of October and hope you will be able to join them for a fun program on Dec. 1st.

The high school band and vocal students will present their winter concert on Monday evening, Dec. 12th. On the vocal end of things, the Mixed Chorus, Girls Chorus, and Swing Choir will be performing along with a few small groups. Again, all music will center on the holiday or winter seasons and many styles of music will be represented. The elementary students will have gotten you into the holiday mood and the high school singers will keep you there!

In addition to these two concerts, the high school chorus will be caroling on Friday, Dec. 9th. They will sing at the Sheffield and Rockwell Care Centers and for the business open house in Thornton. And a few small groups will be performing at the Sheffield Lions Christmas Party on Thursday, Dec. 8th.
