200 STATEMENT OF GUIDING PRINCIPALS

It is the policy of the Board of Directors to organize and maintain the distinction between those activities which are appropriate to the Board of Directors as the legislative body of the school district, and those administrative activities which are to be performed by the Superintendent of Schools, and staff in the exercise of a delegated administrative authority. The function of the Board can be described as policy making, appraisal, and evaluation.

LEGAL STATUS OF THE BOARD

The Board of Directors of the West Fork Community School District derives its legal status from the Constitution of the State of Iowa and the statutes enacted by the General Assembly. The Board of Directors acts as an agent of the state in developing an educational program in accordance with the Constitution and laws of the State of Iowa.

ORGANIZATION OF THE BOARD OF DIRECTORS

The West Fork Community School District board is authorized by and derives its organization from Iowa law. The board will consist of 5 board members. Board members shall be elected pursuant to section 275.12(2)(c) of the Code of Iowa, i.e. electors from the entire district voting for each director and division of the new district into two multi-member districts, two two member director districts represented by residents of that director district and a fifth member elected at large.

The board is organized for the purpose of setting policy and providing general direction for the school district. The board will hold its organizational meeting at the first regular meeting following the canvass of votes. The retiring board will transfer materials, including the board policy manual, and responsibility of the new board.

The organizational meeting allows the outgoing board to approve minutes of its previous meetings, complete unfinished business and review the school election results. The retiring board will adjourn and the new board will then begin. The Secretary will administer the oath of office to the newly-elected board members. The existing president will preside while the new board elects the president and vice-president of the new board.

POWERS OF THE BOARD OF DIRECTORS

The board of the West Fork Community School District, acting on behalf of the school district, shall have jurisdiction over school matters within the territory of the school district.

The board is empowered to make policy for its own governance, for employees, for students and for school district facilities. The board is also empowered to enforce its policies. The board may, through its quasi-judicial power, conduct hearings and rule on issues and disputes confronting the school district.

The board has these powers and all other powers expressly granted to it in federal and state law as well as the powers that can be reasonably implied from the express powers.

RESPONSIBILITIES OF THE BOARD OF DIRECTORS

The board is authorized to govern the school district which it oversees. As the governing board of the school district, the board has three duties to perform: Legislative Duty, Executive Duty, and Evaluative Duty.

As a representative of the citizens of the school district community, the board is responsible for legislating policy for the school district. As a policy making body, the board has jurisdiction to enact policy with the force and effect of law for the management and operation of the school district.

It is the responsibility of the board, under the board's executive duty, to select its chief executive officer, the superintendent, to operate the school district on the board's behalf. The board delegates to the superintendent its authority to carry out board policy, to formulate and carry out rules and regulations and to handle the administrative details in a manner which supports and is consistent with board policy.

The board has a responsibility to review the education program's performance under its evaluative duty. The board regularly reviews the education program and ancillary services. The review includes a careful study and examination of the facts, conditions and circumstances surrounding the amount of funds received or expended and the education program's ability to achieve the board's educational philosophy for the school district.

BOARD OF DIRECTORS' ELECTIONS

The school election takes place on the second Tuesday in September of odd-numbered years. Each school election is used to elect citizens to the board to maintain a 5 member board and to address questions that are submitted to the voters.

Citizens of the school district community seeking a seat on the board must file their nomination papers with the board secretary, or the board secretary's designee, between sixty-four and forty days before the school election unless otherwise directed.

If a vacancy occurs on the board it shall be filled in accordance with law and board policy.

It is the responsibility of the county commissioner of elections to conduct school elections.

NOTE: This policy states the legal requirements for school board elections and the filling of vacancies.

Approved 11/21/2016 Reviewed 10/17/2016 Revised 10/13/2016

QUALIFICATIONS

Serving on the board of directors is an honor and privilege. Its rewards are respect from the community, students, and employees and the satisfaction from knowing each board member contributed to the success of the children in the school district community. Only those who are willing to put forth the effort to care and to make a difference should consider running for a position on the board.

Individuals who are willing to serve on the board believe public education is important, support the democratic process, willingly devote time and energy to board work, respect educators and have the ability to examine the facts and make a decision. The board believes an individual considering a position on the school board should possess these characteristics.

Citizens wanting to run for a position on the board must be a citizen of the school district, an eligible elector of the district and free from a financial conflict of interest with the position.

OATH OF OFFICE

Board members are officials of the state. As a public official, each board member must pledge to uphold the Iowa and the United States Constitution and carry out the responsibilities of the office to the best of the board member's ability.

Each newly-elected board member will take the oath of office prior to any action taken as a school official. The oath of office is taken by each new board member elected, at the school election, at, or before, the organizational meeting of the board. In the event of an appointment or special election to fill a vacancy, the new board member will take the oath of office within ten days of the appointment or election.

Board members elected to offices of the board will also take the same oath of office but replacing the office of board member with the title of the office to which they were elected.

The oath of office is administered by the board secretary and does not need to be given at a board meeting. In the event the board secretary is absent, the oath is administered by another board member.

"Do you solemnly swear that you will support the Constitution of the United States and the Constitution of the State of Iowa, and that you will faithfully and impartially to be best of your ability discharge the duties of the office of _____ (naming the office) in the West Fork Community District as now and hereafter required by law?"

NOTE: Board members elected at the regular election do not need to take the oath of office within 10 days. Those elected at a special election or appointed to fill a vacancy, however, must take the oath of office within 10 days.

Approved 11/21/2016 Reviewed 10/17/2016 Revised 10/17/2016

TERM OF OFFICE

Board members elected for a full term at a regularly scheduled school election in September, of odd-numbered years, serve for four years. Board members appointed to fill a vacant position will serve until a successor is elected and qualified at the next regular school election, unless there is an intervening special election for the school district, in which event a successor shall be elected at the intervening special election. A board member elected to fill a vacancy will serve out the unexpired term.

Being a board member is a unique opportunity for a citizen to participate on a governing board of the school district. Eligible board members are encouraged to consider running for more than one term.

VACANCIES

A vacancy occurs as provided by law, which includes but it not limited to when a board member dies, resigns or leaves office, or fails to reside in the school district or director district.

If a vacancy occurs prior to the expiration of a term of office, the vacancy will be filled by board appointment within 30 days of the vacancy. The board shall publish notice stating that the board intends to fill the vacancy by appointment, but the electors of the school district have the right to file a petition requiring the vacancy be filled by a special election.

A person appointed to fill a vacancy shall hold office until a successor is elected and qualified at the next regular school election, unless there is an intervening special election for the school district, in which event a successor shall be elected at the intervening special election.

If the board is unable to fill a vacancy by appointment within 30 days after the vacancy occurs or if a valid petition is submitted, the board secretary will call a special election to be held no sooner than 60 days and not later than 70 days after the vacancy occurred. A board member elected at the special election will serve the remaining portion of the unexpired term.

NOTE: Special elections called because the board is unable to fill a vacancy by appointment within 30 days or called because a valid petition has been submitted are to be held 60-70 days after the vacancy occurs. These special elections are different than the special school elections (commonly called public measure elections), which are held on four specific dates each year as outlined in Iowa Code. The special elections called to fill a vacancy can be held at any time of the year.

BOARD OF DIRECTORS' CONFLICT OF INTEREST

Board members must be able to make decisions objectively. It is a conflict of interest for a board member to receive direct compensation from the school district, unless exempted in this policy, for anything other than reimbursement of actual and necessary expenses, including travel, incurred in the performance of official duties. A board member will not act as an agent for a school textbook or school supply company doing business with the school district during the board member's term of office. It will not be a conflict of interest for board members to receive compensation from the school district for contracts to purchase goods or services if the benefit to the board member does not exceed \$2,500 in a fiscal year or if the contracts are made by the board, upon competitive bid in writing, publicly invited and opened.

The conflict of interest provisions do not apply to a contract that is a bond, note or other obligation of a school corporation if the contract is not acquired directly from the school corporation, but is acquired in a transaction with a third party, who may or may not be the original underwriter, purchaser, or obligee of the contract, or to a contract in which a director has an interest solely by reason of employment if the contract was made by competitive bid, in writing, publicly invited and opened, or if the remuneration for employment will not be directly affected as a result of the contract and duties of employment do not involve any of the preparation or procurement of any part of the contract. The competitive bid section of the conflict of interest provision does not apply to a contract for professional services not customarily competitively bid.

It will also be a conflict of interest for a board member to engage in any outside employment or activity which is in conflict with the board member's official duties and responsibilities. In determining whether outside employment or activity of a board member creates a conflict of interest, situations in which an unacceptable conflict of interest is deemed to exist includes, but are not limited to, any of the following:

- (1) The outside employment or activity involves the use of the school district's time, facilities, equipment and supplies or the use of the school district badge, uniform, business card or other evidence of office to give the board member or member of the board member's immediate family an advantage or pecuniary benefit that is not available to other similarly situated members or classes of members of the general public. For purposes of this section, a person is not "similarly situated" merely by being related to a board member.
- (2) The outside employment or activity involves the receipt of, promise of, or acceptance of more or other consideration by the board member or a member of the board

member's immediate family from anyone other than the state or the school district for the performance of any act that the board member would be required or expected to perform as part of the board member's regular duties or during the hours in which the board member performs service or work for the school district.

- (3) The outside employment or activity is subject to the official control, inspection, review, audit, or enforcement authority of the board member, during the performance of the board member's duties of office or employment

Code No. 203

Page 2 of 2

BOARD OF DIRECTORS' CONFLICT OF INTEREST

If the outside employment or activity is employment or activity in (1) or (2) above, the board member must cease the employment of or activity. If the activity or employment falls under (3), then the board member must:

- Cease the outside employment or activity; or,
- Publicly disclose the existence of the conflict and refrain from taking any official action or performing any official duty that would detrimentally affect or create a benefit for the outside employment or activity. Official action or official duty includes, but is not limited to, participating in any vote, taking affirmative action to influence any vote, or providing any other official service or thing that is not available generally to members of the public in order to further the interests of the outside employment or activity.

When procurement is supported by Federal Child Nutrition funds, employees will not participate in the selection, award, or administration of a contract if there is a real or apparent conflict of interest in the contract. Contract, for purposes of this paragraph, includes a contract where the employee, employee's immediate family, partner, or a non-school district employer of these individuals is a party to the contract.

It is the responsibility of each board member to be aware of and take the action necessary to eliminate a potential conflict of interest should it arise.

CODE OF ETHICS

Board members' actions, verbal and nonverbal, reflect the attitude and the beliefs of the school district. Therefore, board members must conduct themselves professionally and in a manner fitting to their position.

Each board member shall follow the code of ethics stated in this policy.

AS A SCHOOL BOARD MEMBER:

1. I will listen.
2. I will respect the opinion of others.
3. I will recognize the integrity of my predecessors and associates and the merit of their work.
4. I will be motivated only by an earnest desire to serve my school district and the children of my school district community in the best possible way.
5. I will not use the school district or any part of the school district program for my own personal advantage or for the advantage of my friends or supporters.
6. I will vote for a closed session of the board if the situation requires it, but I will consider "star chamber" or "secret" sessions of board members unethical.
7. I will recognize that to promise in advance of a meeting how I will vote on any proposition which is to be considered is to close my mind and agree not to think through other facts and points of view which may be presented in the meeting.
8. I will expect, in board meetings, to spend more time on education programs and procedures than on business details.
9. I will recognize that authority rests with the board in legal session and not with individual members of the board, except as authorized by law.
10. I will make no disparaging remarks, in or out of the board meeting, about other members of the board or their opinions.
11. I will express my honest and most thoughtful opinions frankly in board meetings in an effort to have decisions made for the best interests of the children and the education program
12. I will insist that the members of the board participate fully in board action and recommend that when special committees are appointed, they serve only in an investigative and advisory capacity.
13. I will abide by majority decisions of the board.

14. I will carefully consider petitions, resolutions and complaints and will act in the best interests of the school district.
15. I will not discuss the confidential business of the board in my home, on the street or in my office; the place for such discussion is the board meeting.
16. I will endeavor to keep informed on local, state and national educational developments of significance so I may become a better board member.

Code No. 204

IN MEETING MY RESPONSIBILITY TO MY SCHOOL DISTRICT COMMUNITY.

1. I will consider myself a trustee of public education and will do my best to protect it, conserve it, and advance it, giving to the children of my district community the educational facilities that are as complete and adequate as it is possible to provide.
2. I will consider it an important responsibility of the board to interpret the aims, methods and attitudes of the school district to the community.
3. I will earnestly try to interpret the needs and attitudes of the school district community and do my best to translate them into the education program of the school district.
4. I will attempt to procure adequate financial support for the school district.
5. I will represent the entire school district rather than individual electors, patrons or groups.
6. I will not regard the school district facilities as my own private property but as the property of the people.

IN MY RELATIONSHIP WITH SUPERINTENDENT AND EMPLOYEES

1. I will function, in meeting the legal responsibility that is mine, as a part of a legislative, policy-forming body, not as an administration officer.
2. I will recognize that it is my responsibility, together with that of my fellow board members, to see the school district is properly run and not to run them myself.
3. I will expect the school district to be administered by the best-trained technical and professional people it is possible to procure within the financial resources of the school district.
4. I will recognize the superintendent as executive officer of the board.
5. I will work through the administrative employees of the board, not over or around them.
6. I will expect the superintendent to keep the board adequately informed through oral and written reports.
7. I will vote to employ employees only after the recommendation of the superintendent has been received.
8. I will insist that contracts be equally binding on teachers and the board.
9. I will give the superintendent power commensurate with the superintendent's responsibility and will not in any way interfere with, or seek to undermine, the superintendent's authority.
10. I will give the superintendent friendly counsel and advice.

11. I will present any personal criticism of employees to the superintendent.
12. I will refer complaints to the proper administrative officer.

TO COOPERATE WITH OTHER SCHOOL BOARDS

1. I will not employ a superintendent, principal or teacher who is already under contract with another school district without first securing assurance from the proper authority that the person can be released from contract.

Code No. 204

Page 3 of 3

2. I will consider it unethical to pursue any procedure calculated to embarrass a neighboring board or its representatives.
3. I will not recommend an employee for a position in another school district unless I would employ the employee under similar circumstances.
4. I will answer all inquiries about the standing and ability of an employee to the best of my knowledge and judgment, with complete frankness.
5. I will associate my self with board members of other school districts for the purpose of discussing school district issues and cooperating in the improvement of the education program.

It shall be the responsibility of the board to employ legal counsel to assist the board and the administration in carrying out their duties with respect to the numerous legal issues confronting the school district. The board may appoint legal counsel at its annual meeting.

The superintendent shall have the authority to contact the board's legal counsel on behalf of the board when the superintendent believes it is necessary for the management of the school district. Board members may contact legal counsel upon approval of a majority of the board. It shall be the responsibility of each board member to pay the legal fees, if any, of an attorney the board member consulted regarding matters of the school district unless the board has authorized the board member to consult an attorney on the matter.

It shall be the responsibility of the superintendent to keep the board informed of matters for which legal counsel was consulted, particularly if the legal services will involve unusual expense for the school district.

NOTE: It is recommended that both the superintendent and board president have authority to contact the board's legal counsel without prior approval of the board. If other individuals have this authority, the board secretary for example, then they, too, should be listed in this policy.

AD HOC COMMITTEES

Whenever the board deems it necessary, the board may appoint a committee composed of citizens, staff or students to assist the board. Committees formed by the board shall be ad hoc committees.

Ad Hoc committee is formed by board resolution which shall outline the duties and purpose of the committee. The committee is advisory in nature and has no duty or responsibility other than that specifically stated in the board resolution. The committee shall automatically dissolve upon the delivery of its final recommendation to the board or upon completion of the duties outlined in the board resolution. The board will receive the report of the committee for consideration. The board retains the authority to make a final decision on the issue. The committee will be subject to the open meetings law if the committee is established by statute or if the committee makes policy recommendations and is established by or approved by the board.

The method for selection of committee members shall be stated in the board resolution. When possible, and when the necessary expertise required allows, the committee members will be representative of the school district community and shall consider the various viewpoints on the issue. The board may designate a board member and the superintendent to serve on an ad hoc committee. The committee will select its own chairperson, unless the board designates otherwise.

NOTE: As a result of a change in the open meetings law, most, if not all, board committees will be subject to the open meetings law just as the board is. The only difference between the two bodies is that committees are not required to publish their minutes. That is only a requirement specifically for school boards, not a requirement of the open meetings law.

AD HOC COMMITTEES EXHIBIT

Ad Hoc Committee Purpose and Function

The specific purpose of each ad hoc committee varies. Generally, the primary function of an ad hoc committee is to give specific advice and suggestions. The advice and suggestions should focus on the purpose and duties stated in the board resolution establishing the committee. It is the board's role to take action based on information received from the ad hoc committee and other sources. Ad hoc committees may be subject to the open meetings law.

Role of an Ad Hoc Committee Member

The primary role of an ad hoc committee member is to be a productive, positive member of the committee. In doing so, it is important to listen to and respect the opinions of others. When the ad hoc committee makes a recommendation to the board, it is important for the ad hoc committee members to support the majority decision of the ad hoc committee. An ad hoc committee will function best when its members work within the committee framework and bring items of business to the ad hoc committee.

Ad Hoc Committee Membership

Ad hoc committee members may be appointed by the board. The board may request input from individuals or organizations, or it may seek volunteers to serve. Only the board or superintendent has the authority to appoint members to an ad hoc committee. Boards must follow the legal limitations or requirements regarding the membership of an ad hoc committee.

DEVELOPMENT OF POLICY

The board has jurisdiction to legislate policy for the school district with the force and effect of law. Board policy provides the general direction as to what the board wishes to accomplish while allowing the superintendent to implement board policy.

The written policy statements contained in this manual provide guidelines and goals to the citizens, administration, employees and students in the school district community. The policy statements shall be the basis for the formulation of regulations by the administration. The board shall determine the effectiveness of the policy statements by evaluating periodic reports from the administration.

Policy statements may be proposed by a board member, administrator, employee, student or member of the school district community. Proposed policy statements or ideas shall be submitted to the superintendent's office for possible placement on the board agenda. It shall be the responsibility of the superintendent to bring these proposals to the attention of the board.

ADOPTION OF POLICY

The board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two regular board meetings. The proposed policy changes shall be distributed and public comment will be allowed at both meetings prior to final board action. This notice procedure shall be required except for emergency situations. If the board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy shall be included in the minutes. The board shall have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

In the case of an emergency, a new or changed policy may be adopted by a majority vote of a quorum of the board. The emergency policy shall expire at the closed of the third regular meeting following the emergency action, unless the policy adoption procedure stated above is followed and the policy is reaffirmed.

NOTE: This is a mandatory policy, but there is not legal requirement for the number of readings a board policy needs to have prior to its adoption by the board. The standard practice is two meetings, and this policy is written to reflect that practice. If a board holds fewer or more readings, the policy should be amended to reflect that practice. It is recommended the expiration date of an emergency policy be the number of meetings needed to adopt a regular policy plus an additional meeting.

DISSEMINATION OF POLICY

A board policy manual shall be housed in the central administration office. Each board member shall have a personal copy of the board policy manual. Persons wishing to review the board policy manual shall contact the board secretary, who shall have a board policy manual available for public inspection.

It shall be the responsibility of the board secretary to ensure copies of new and revised policy statements are distributed to the custodians of board policy manuals not later than the first regular board meeting following the policy's adoption. Copies of changes in board policy shall also be included in or attached to the minutes of the meetings in which the final action was taken to adopt the new or changed policy.

It shall be the responsibility of each board member, during the board member's term of office, to keep the manual current and up-to-date and to surrender the manual to the board secretary at the conclusion of the board member's term of office.

The board shall, at least once every five years, review board policy. Once the policy has been reviewed, even if no changes were made, a notation of the date of review is made on the face of the policy statement.

If a policy is revised because of a legal change over which the board has no control or a change which is minor, the policy may be approved at one meeting at the discretion of the board.

The administrative regulations will be available no later than the first regular board meeting after the adoption of the board policy unless the board directs otherwise.

WORK SESSIONS

The board, as a decision making body, is confronted with a continuing flow of problems, issues and needs which require action. While the board is determined to expedite its business, it is also mindful of the importance of planning, brainstorming and thoughtful discussion without action. Therefore, the board may schedule work sessions and retreats in order to provide its members and the administration with such opportunities. The board has the authority to hire an outside facilitator to assist them in work sessions.

Topics for discussion and study will be announced publicly, and work sessions and retreats will be conducted in open session. However, no board action will take place at the work session.

The public notice shall be posted in the HS Office, Elementary Office, MS Office and the Business Office at least 1 day before it is scheduled, but, at the minimum, twenty-four hours notice needs to be given.

In the case of special meetings, public notice shall be given in the same manner as for a regular meeting unless it is an emergency meeting. In that case, public notice of the meeting shall be given as soon as practical and possible in light of the situation. The media and others who have requested notice shall be notified of the emergency meeting. RULES OF ORDER

An orderly board meeting allows the board members to participate in the discussion and decision process on an issue confronting the school district. Rules of order for board meetings allow school district business and the relative information concerning the business to be brought to the attention of the board. They also allow the board to discuss, act upon and make a clear record of school district business in a regular, ordered, reasonable and consistent manner.

It shall be the responsibility of each board member to follow the rules of order stated in this policy at each meeting, and it shall be the responsibility of the presiding officer to conduct the board meeting within these rules.

The board shall follow Robert's Rule of Order, Revised, latest edition as modified by this policy and subsequent rule.

The purpose of modified rules adopted by the board are:

- To establish guidelines by which the business of the governing board can be conducted in a regular and internally consistent manner;
- To organize the meetings so all necessary matters can be brought to the board and decisions of the board can be made in an orderly and reasonable manner;
- To insure members of the board, concentrating on the substantive issues at hand, have the necessary information to make decisions, and to insure adequate discussion of decisions to be made; and
- To insure meetings and actions of the board are conducted so as to be informative to the staff and the public, and to produce a clear record of actions taken and decisions made.

The tentative agenda for each board meeting shall state the topics for discussion and action at the board meeting. The agenda is part of the public notice of the board meeting and will be posted and distributed.

Persons requesting to place an item on the agenda must make a request to the superintendent prior to the drafting of the tentative agenda. The person making the request must state the person's name, address, purpose of the presentation, action desired and pertinent background information. Requests from the public may be added to the tentative agenda at the discretion of the superintendent after consultation with the board president. Requests received after the deadline may only be added to the agenda for good cause.

The tentative agenda and supporting documents shall be sent to the board members six (6) days prior to the scheduled board meeting. These documents are the private property of the board members. Persons wishing to view the tentative agenda and supporting documents may do so at the administration office.

The board shall take action only on the items listed on the tentative agenda posted with the public notice. Items added to the agenda may be discussed or taken under advisement by the board. If an added item is acted upon, the minutes of the board meeting shall state the reason justifying the immediate action.

It shall be the responsibility of the board president and superintendent to develop the agenda for each board meeting.

CLOSED SESSIONS

Generally, board meetings will be open meetings, unless a closed session or exempt meeting is provided for by law. The board will hold a closed session or exempt meeting in the situations stated below.

Exceptions to the Open Meetings Law

Closed sessions take place as part of an open meeting. The item for discussion in the closed session will be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, will be made and seconded during the open meeting. A minimum of two-thirds of the board, or all of the board members present, must vote in favor of the motion on a roll call vote. Closed sessions will be tape recorded and have detailed minutes kept by the board secretary. Final action on matters discussed in the closed session will be taken in an open meeting.

The minutes and the tape recording will restate the motion made in the open meeting, the roll call vote, the members present, and the time the closed session began and ended. The tape recordings and the written minutes will be kept for one year from the date of the meeting. Real estate related minutes and tapes will be made public after the real estate transaction is completed.

The detailed minutes and tape recording will be sealed and will not be public records open to public inspection. The minutes and tape recording will only be available to board members or opened upon court order in an action to enforce the requirements of the open meetings law. The board has complete discretion as to whom may be present at a closed session.

Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:

1. To review or discuss records which are required or authorized by state or federal law to be kept confidential or to be kept confidential as a condition for the board's possession or receipt of federal funds.
2. To discuss strategy with legal counsel in matters presently in litigation, or where litigation is imminent, if disclosure would be likely to prejudice or disadvantage the board.

3. To discuss whether to conduct a hearing, or conduct a hearing for suspension or expulsion of a student, unless an open meeting is requested by the student or the parent of the student.
4. To evaluate the professional competency of an individual whose appointment, hiring, performance, or discharge is being considered when a closed session is necessary to prevent needless and irreparable injury to that individual's reputation and that individual requests a closed session

Code No. 212

Page 2 of 2

CLOSED SESSIONS

5. To discuss the purchase or sale of particular real estate, but only when premature disclosure could be reasonably expected to increase the price the board would have to pay for the property, or in case of a sale reduce the price the board could receive for the property.

Exemptions to the Open Meetings Law

Board meetings at which a quorum is not present, or gatherings of the board for purely ministerial or social purposes when there is no discussion of policy or no intent to avoid the purposes of the open meetings law, are exempt from the open meetings law requirements. Since gatherings of this type are exempt from the open meetings requirements, they can be held without public notice, be separate from an open meeting, be held without taping the gathering or taking minutes, and be held without a vote or motion. The board may also hold an exempt session for the following:

1. negotiating sessions, strategy meetings of public employers or employee organizations, mediation and the deliberative process of arbitration;
2. to discuss strategy in matters relating to employment conditions of employees not covered by the collective bargaining law;
3. to conduct a private hearing relating to the recommended termination of a teacher's contract. The private hearing however, in the teacher's contract termination will be recorded verbatim by a court reporter; and
4. to conduct a private hearing relating to the termination of a probationary administrator's contract or to review the proposed decision of the administrative law judge regarding the termination of an administrator's contract.

PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall set time aside for citizen participation, either at a specific time during the meeting or during the discussion of agenda items. Citizens wishing to address the board on a certain agenda item must notify the superintendent prior to the board meeting. Citizens wishing to present petitions to the board may do so at this time. However, the board will only receive the petitions and not act upon them or their contents. The board has the discretion to limit the amount of time set aside for public participation.

If the pressure of business or other circumstances dictate, the board president may decide to eliminate this practice. The board president will recognize these individuals to make their comments at the appropriate time. The orderly process of the board meeting shall not be interfered with or disrupted. Only those speakers recognized by the board president shall be allowed to speak. Comments by others are out of order. If disruptive, the individual making the comments or another individual causing disruption may be asked to leave the board meeting.

Individuals who have a complaint about employees may bring their complaint to the board only after they have followed board policy addressing citizens' complaints. Students who have a complaint may only bring their complaint to the board after they have followed board policy addressing students' complaints.

GENERAL COMPLAINTS BY CITIZENS

The board recognizes that concerns regarding the operation of the school district will arise. The board further believes that constructive criticism can assist in improving the quality of the education program and in meeting individual student needs more effectively. The board also places trust in its employees and desires to support their actions in a manner which frees them from unnecessary or unwarranted criticism and complaints.

Procedures for dealing with complaints concerning programs or practices should be governed by the following principles:

- where action/investigation is desired by the complainant, or where it seems appropriate, the matter should be handled as near the source as possible;
- complaints should both be investigated and, if possible, resolved expeditiously;
- complaints should be dealt with courteously and in a constructive manner; and,
- individuals directly affected by the complaint should have an opportunity to respond.

Specific procedures for handling complaints may be established in policies. The board, consistent with its board policy-making role, will deal with complaints concerning specific schools, programs or procedures only after the usual channels have been exhausted. Complaints regarding employees or complaints by students will follow the more specific policies on those issues.

When a complaint requiring attention is received by the board or a board member it will be referred to the superintendent. After all of the channels have been exhausted, the complainant may appeal to the board by requesting a place on the board agenda or during the public audience portion of the board meeting. If the complainant appeals to the board, the appeal shall be in writing, signed and explain the process followed by the complainant prior to the appeal to the board.

PUBLIC HEARINGS

Public hearings may be held on school district matters at the discretion of the board. Public notice of public hearing shall be in the same manner as for a board meeting except that the notice shall be given at least ten days before the hearing is to be held unless it is impossible or impractical to do so.

At public hearings, citizens of the district who register at the door will be allowed to speak on the issue for which the public hearing is being held. Others may be allowed to speak at the board's discretion. Speakers are asked to keep their remarks as brief as possible. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board shall conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president. The board president will recognize the speakers. A board member may ask questions of the speakers after receiving permission from the board president. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings shall be asked to leave.
