

## West Fork After School Program

The after school program is offered at the Rockwell campus. It is available to all students attending any West Fork School. The program is available on all school days, including scheduled early dismissal days. Any early dismissal days due to inclement weather, there is **NO** After School Program. If the school is dismissed early due to heat, the after school program WILL still run. The program runs from right after school until 6:00 p.m. You may use the After School Program every day, or just as needed. We do ask that you notify the school when your child will be attending the program. Please contact Samantha Sturges at 822-3234, or [samantha.sturges@westforkschool.org](mailto:samantha.sturges@westforkschool.org).

Students attending either campus can be bussed to the other campus after school is dismissed.

The cost of the After School Program is \$5.00 per day per child for regular days. This cost includes a snack and milk.

Prepayment of at least the first week's attendance in the after school program is appreciated. You will receive monthly statements of amounts paid and balances.
